Registration page:

The screenshot shows a web browser window with the title 'SKIN CLASSIFICATION'. The address bar shows the file path 'E:/Private/Ashwini/COLLEGE%20FILES/IBM/sign.html'. The page has a dark blue header with 'Home', 'Log In', and 'Sign Up' links. The main content area is light blue and contains a white 'SIGN UP' form. The form has the text 'Provide valid details' and three input fields: 'Name', 'Email ID', and 'Password'. Below the fields is a green 'Register' button. At the bottom of the form, it says 'Already have an account? [Sign In](#)'. The Windows taskbar at the bottom shows the date and time as 10-11-2022, 20:34.

Creating an Account:

This screenshot is identical to the previous one, but with sample data entered into the registration form. The 'Name' field contains 'Ashwini', the 'Email ID' field contains 'ashwini@gmail.com', and the 'Password' field contains a series of asterisks. The 'Register' button remains green, and the 'Sign In' link is still present at the bottom of the form. The browser window and taskbar details are the same as in the previous screenshot.
